An \$80 million renovation is underway to transform the Galt House Hotel into Louisville's Signature Hotel and it's most exciting dining destination.

We are modernizing our guest rooms and lobby spaces to better serve today's travelers, including new air conditioning units, workstation USB ports, soft-close drawers, and in-room safes. Our West Tower guest rooms will be complete by the end of 2019, and our East Tower guest rooms will be complete by the end of 2020.

Seven restaurants and bars, including two brand new restaurant concepts, establish us as an anchor of Louisville's culinary and bourbon scene.

Walker's Exchange serves heartland cuisine and a spectacular Sunday brunch. Jockey Silks Bourbon Bar is the premier bourbon lounge on Louisville's Urban Bourbon Trail. Down One Bourbon Bar serves Louisville's best street food. Swizzle Dinner & Drinks, opening in Spring 2020, will be a swanky 21st century supper club on the 25th Floor.
